The Municipal Council in its resolution No.584/24-6-48 has resolved to depute one sri. G. Gunda Bhat, an outsider for physical instructor's training as a municipal stipendiary sanctioning an amount of Rs.716/- . The necessary bond was obtained from the stipendary and he was admitted in the Y.M.C.A. college Saidapet, Madras. He underwent training till 14-11-48 when on the receipt of the medical examination report by the Principal of the college that the stipendiary is unfit for continuing the training his name was dropped from the rolls of the college and consequently sri. G. Gunda Bhat left the College on 15-11-48. Under the circumstances stated above sri. G. Gunda Bhat, the stipendary could not complete the course of physical instructor's training for reasons beyond his control and thereby could not fulfil the terms of the bond in respect of the 3 years service he is bound to put in after completion of the course. An expenditure of Rs. 600/- has been incurred towards ~~his~~ his training till the date of his leaving the college consequent on his name having been dropped by the Principal of the College as a result of the receipt of the medical examination report declaring him unfit for the continuance of the training and the expenditure has been approved by the Council in its resolution No.29/15-2-1949

I request the Government may be pleased to approve of the expenditur condoning the non-fulfilment of the terms of the Bond laid down in respect of the failure on the part of the stipendiary to fulfil the terms of the bond in which case the expenditure incurred by the municipality wi have to be refunded by the stipendiary with interest in as much the non-fulfilment of such terms has arisen consequent on his name being dropped from the rolls for the reason already stated.

Sub ESTABLISHMENT- Municipal High School Hospet Sri.G. Gunda Bhat--Training at the Y.M.C.A. College--Approval of expenditure.

Ref: Memorandum No. 5868 -B- 50-1 Edn dated 11-4-50.

According to para.6 of G.O.No.1626, Edn. dated 1-11-1944 the stipendiary under reference should have executed a bond binding himself to serve the Hospet Municipal Council as a teacher in the relevant capacity for a period of three years after he completed the course of training in the Y.M.C.A. College, Madras. A copy of the bond actually executed by him is not available for reference to see the exact wording contained therein. But as the individual in question did not complete the course of training by force of circumstances beyond his control it seems doubtful whether the terms of the bond can become enforceable against him unless the bond actually executed by him is differently worded.

In the circumstances there seems to be no case for the recovery of the expenses incurred on his training in the college. The books and other articles which have not been used up may however be directed to be returned to the municipal council. The individual would appear to have taken a refund of fees etc. to the extent of Rs.39. In the event of his being

(contd..)

appointed as a Secondary Grade Assistant this sum may be required to be paid to the municipal council.

The enclosures received with the memorandum cited are herewith returned.
